Buffalo's historic Allentown district got its name from Lewis Allen, who bought the land in 1827. Since then, Allentown has become one of the city's main art, cultural and historical districts.

It has also been home to a number of famous Buffalonians, including U.S. President Millard Fillmore, Samuel L. Clemens (Mark Twain) and author F. Scott Fitzgerald. Come join ISSS on a walking tour of this historic district with our professional tour guide, Todd Mitchell!
