**INSTRUCTIONS:** Please provide as much information as possible about your textbook choices. Where applicable, please provide the edition number for your text. The *most recent edition* of a text will be ordered by default. Also, paperback (or the more affordable text version) is ordered by default. Please check the *hardcover option blank* if you desire the hardcover version of a book. Study guides are automatically requested for TA's. If you desire study guides for *students*, a separate request must be made using the text fields on this form. If you do not know the ISBN, or the publisher for your text, it may be omitted – the text title, author and edition (if applicable) must be specified however. If you plan on ordering any of these texts or materials on your own, or plan on using another provider, please check "do not order." Please provide us with textbook information **even if you plan on ordering your books independently**, as this office is required to collect textbook use and content data. Your help is appreciated. If you have any questions, comments or concerns, please call the General Education Office at 716-645-3479.
