

# CENTER FOR COGNITIVE SCIENCE

University at Buffalo, State University of New York

## Schedule of Center for Cognitive Science Events

February 14, 2003, v. 5

### Spring 2003

Wednesdays from 2:00 pm - 4:00 pm

280 Park Hall

(Unless otherwise noted)

#### FEBRUARY

19

Michael Spivey, Ph.D., (spivey-knowlton@cornell.edu), Dept. of Psychology, Cornell University

<http://www.cogstud.cornell.edu/faculty/spivey.html>

#### **“Evidence for the Spatial and Image-schematic Underpinnings of Language Processing”**

*Research Interests: information integration; including visiolinguistic processing, sentence processing, word recognition, visual attention, visual memory, eye movements, and computational modeling*

26

Frederique de Vignemont, Ph.D., (vignemo@club-internet.fr), L’Institut des Sciences Cognitives Actualite Du Laboratoire, France

<http://www.isc.cnrs.fr/agenda.htm>

#### **“Why we feel what we see: a plurimodale representation of the body”**

*Research Interests:*

#### MARCH

5

Jeffrey Runner, Ph.D., (runner@ling.rochester.edu), Dept. of Linguistics, University of Rochester  
<http://ling.rochester.edu/people/runner/runner.html>

#### **“On the Complementarity of Pronouns and Reflexives in English: Evidence from Eye Movements”**

*Research Interests: Syntactic theory; syntax-semantics interface; phrase structure; inflectional structure (case, agreement, position) and its role in syntax/semantics; Romance and Germanic syntax.*

12

**Spring Recess**

19

**Chrysanne DiMarco, Ph.D.**, (cdimarco@uwaterloo.ca), Dept. of Computer Science, University of Waterloo, Waterloo, Canada

“Title”

Center for Cognitive Science, University at Buffalo, 652 Baldy Hall

Phone: (716) 645-3794, Fax: (716) 645-3825, Email: [ccs-cogsci-contact@buffalo.edu](mailto:ccs-cogsci-contact@buffalo.edu), Web: <http://www.cogsci.buffalo.edu>

26 William Rapaport, Ph.D., (rapaport@cse.buffaloe.edu), Dept. of Computer Science and Engineering, University at Buffalo

**“CONTEXTUAL VOCABULARY ACQUISITION:  
From Algorithm to Curriculum”**

Research Interests: Artificial Intelligence, Cognitive Science, Computational Linguistics, Knowledge Representation, Logic, Philosophy of Mind, Philosophy of Language, Critical Thinking, Cognitive Development

APRIL

2 Christopher Green, Ph.D., (christo@yorku.ca), Dept. of Psychology, York University, Canada

**“Title”**

*Research Interests: Cognitive Connectionist modeling*

9 Student Poster Session

15 **DISTINGUISHED SPEAKER PRESENTATION**

2:30 pm – 3:50 pm

**Slee Concert Hall, North Campus**

Philip Johnson-Laird, Ph.D., (phil@princeton.edu ), Dept. of Psychology, Princeton University  
<http://www.princeton.edu/~psych/PsychSite/~phil.html>

**“How We Reason”**

16 Philip Johnson-Laird, Ph.D., (phil@princeton.edu ), Dept. of Psychology, Princeton University

<http://www.princeton.edu/~psych/PsychSite/~phil.html>

**“Naive Causality:**

**A Theory of Causal Meaning and Reasoning”**

23 Kathryn Murphy, Ph.D., (kmurphy@vision.mcmaster.ca), Visual Neuroscience Laboratory, McMaster University, Hamilton, Canada

<http://www.science.mcmaster.ca/Psychology/km-web-page/km.html>

**“Title”**
