ANNOUNCEMENTS

TIPS FOR LIVING IN THE U.S.: RENTER’S INSURANCE

Did you ever think about what you would do if you lost your belongings to fire or theft? You can protect yourself from such losses by purchasing renter’s insurance.

CHINESE NEW YEAR CELEBRATION

The celebration will feature lively music, colorful dances and other performances by members of Chinese Club of Western New York, and language students and artists affiliated with UB Confucius Institute.

Date: February 21, 2015
Time: 2:30-4:30
Place: Mainstage Theatre, Center for the Arts, North Campus
If you live off-campus (especially in University Heights), please follow the tips below:

- Residents are expected to shovel the sidewalk in front of their rental property. This will help others who walk to campus, as well as postal carriers delivering mail.

- If there is a fire hydrant in front of your rental property, you are expected to shovel it out. In this way, firemen can access the fire hydrant in case of fire.

- It is helpful to have a shovel in your car in the wintertime, especially if you park your car on the street. Plows can sometimes pass and push snow to block vehicles. Cat litter can also help with traction if your vehicle gets stuck.

- If your street has alternate parking on different days of the week, please don't leave your vehicle because it's buried. It makes travel for your neighbors very difficult on narrow city streets.
