“The Green Wave” (2010, Germany)

Green is the color of hope. Green is the color of Islam. And green was the symbol of Iranian protestors who led the Green Revolution in Iran in 2009. “The Green Wave” combines actual footage of demonstrations, Facebook and Twitter reports, interviews with exiled Iranians and prominent human rights activists, and animated depictions of life in Iranian prisons. All bear witness to the struggles of the Iranian people as they clashed with government militia. “Green Wave” is a memorial to those who believed in more freedom and lost their lives seeking it.
