

Indoor Water Park

Join ISSS for a trip to a new indoor water park! It features pools, a large hot tub, water basketball, and best of all, 2 enclosed water slide tubes (60 and 52 meters long, shown above, right) which go outside the building and back in again! No matter how cold it is outside, it will be a delightful **27** degrees Celsius in the water park! Ticket price covers admission, three hours of water time, 2 slices of pizza (vegetarian options will be available) with a drink, and round-trip transportation.
