Elmwood is considered by many to be the heart and cultural soul of Buffalo. The Elmwood neighborhood is filled with boutiques, restaurants, cafes, delis, salons, specialty shops and nightclubs. It's a combination that makes Elmwood one of Buffalo's busiest commercial districts, bustling with foot and vehicular traffic.

The vibrant commercial scene on Elmwood Avenue is steps from one of Buffalo's oldest residential areas. Its tree-lined streets, slate sidewalks and stone carriage steps help create a distinct flavor for this section of the city.

Come join ISSS on a walking tour of this historic district with our professional tour guide, Todd Mitchell!
