

Class of 2011

Students plan to attend these colleges: Bard College, Boston College, Brown University, California Institute of Technology, Canisius College, Cornell University, Dartmouth College, Duke University, Georgia Institute of Technology, Harvard University, LeMoyne College, Massachusetts Institute of Technology, McGill University, Northeastern University, Rochester Institute of Technology, SUNY Binghamton, SUNY Buffalo, University of Notre Dame, Yale University.

Their majors: Biochemistry, Business Management, Chemistry, Civil Engineering, Computer Science, Design, Economics, Biomedical Engineering, Electrical Engineering, Evolutionary Anthropology, Finance, Food Science, Government, Imaging Science, Mathematics, Mechanical Engineering, Music, Pharmacy, Philosophy, Physics, Pre-Med.

Some of the honors and scholarships won by this year's graduates include the Velma Cobb Scholarship, Presidential Scholarship, Price Water House Coopers Scholarship, Trustees Scholarship, Business First All-Academic First Team (6 students), National Merit Award (2 students), WNY Scholar-Athlete (4 students), Catholic Counselors Association Scholarship, Dean's Scholarship. This is an incomplete list.

Class of 2010

Students attend these colleges: Canisius College, Cornell University, Cornell University College of Arts & Sciences, Dartmouth College, Georgetown University, Harvard University, New York University Stern School of Business, Rochester Institute of Technology, University at Buffalo, University of Alabama, University of Chicago, University of Miami, University of Michigan, University of Rochester, University of Utah Honors College, and Yale University.

Their majors: 3-D Digital Graphic Design, Aerospace Engineering, Astrophysics, Biochemistry, Biomedical Engineering, Chemical Engineering, Chemistry, Computer Engineering, Computer Science, Electrical Engineering, Finance & International Business, Government, Human Biology, Health, & Society, International Relations, International Studies, Mathematics, Mechanical Engineering., Neuroscience, Physics, Political Economy/Business, Political Science, Pre-Med, and Psychology.

Class of 2009

Students attend these colleges: Brandeis University, Case Western University, Clarkson University, Colgate University, Cornell University, Dartmouth College, Duke University, Hamilton College, Rochester Institute of Technology, Rochester Polytechnic Institute, Tufts University, University at Buffalo, University of Pittsburgh, and University of Rochester.

Their majors: Aerospace Engineering, Biochemistry, Biology, Chemical Engineering, Computer Science, Electrical Engineering, Government, Law, Mathematics, Medicine, Pharmacy, Physics, Political Science, and Pre-Med.

Class of 2008

Students attend these colleges: Boston University, Brown University, California Institute of Technology, Case Western Reserve University, Clarkson University, Cornell University, Michigan State University, Emory University, Harvard University, Houghton College, Reed College, Rochester Institute of Technology, United States Air Force Academy, University at Buffalo, University of Chicago, University of Pittsburgh, University of Rochester, Villanova University, West Virginia University, and Yale University.

Their majors: Chemical Engineering, Chemistry, Chinese, Computer Engineering, Economics, Electrical Engineering, Business & Finance, Law, Mathematics, Neuroscience, Pharmacy, Physics, Political Science, Psychology, and Software Engineering.

Class of 2007

Students attended these colleges: Colgate University, California Institute of Technology, Clarkson University, Emory University, Harvard University, Ithaca College, SUNY Geneseo, Michigan University, Niagara University, Northeastern University, Princeton University, Rochester Institute of Technology, SUNY Fredonia, University at Buffalo, University at Nebraska, University of Rochester, and Washington University.

Their majors are: Architectural Engineering, Biochemistry, Biology, Biophysics, Business Administration, Chemistry, Cinema and Photography, Computer Engineering, Computer Science, Economics and Finance, Engineering, English, Mathematics, Mechanical Engineering, Music, Physics, Political Science, Pre-Med, and Public Policy.
