

University at Buffalo  
R&I Services  
**DRIVER AGREEMENT**

When driving a non-University owned vehicle, I will make sure the vehicle is in satisfactory condition for the type of trip undertaken, based on distance traveled, weather conditions, number of passengers, and other factors that might affect passenger safety. By signing this agreement, I authorize UB to check my MVR (Motor Vehicle Record) using LENS, prior to driving for any sport club functions. In addition, I fully understand that upon release of a vehicle to me, I will be assuming the following responsibilities:

1. To have in my possession at all times a valid state driver's license.
2. To familiarize myself with and abide by published "University at Buffalo Travel Information," parking and traffic regulations of the University at Buffalo and applicable state and local laws.
3. To observe commonly accepted rules of courtesy toward pedestrians and other drivers.
4. To properly care for the vehicle while it is in my custody.
5. To lock the vehicle when it is unoccupied.
6. To pay any traffic or parking fines incurred by me.
7. To use and park the vehicle in a manner that will not reflect unfavorably on the University.
8. To see that, barring emergencies, the vehicle is returned at the appointed time.
9. To permit only employees or students of the University or other persons on official University business to be transported in the vehicle.
10. To report all accidents to the R&I Sport Club Director, Joe Muscarella, 716-829-2935, within 24 hours. If the accident involves personal injury or death, or damage to any property, also report it to the appropriate authorities immediately.
