

Fall 2008

Core Curriculum Master Sessions

For UB Residents & Fellows

Research for Residents: Something for Everyone

Monday, October 27, 2008

5:00-7:30 pm

Butler Auditorium

150 Farber Hall—UB School of Medicine

This session will begin with a panel of researchers sharing their advice with residents. Breakout sessions following the panel are designed to appeal to a broad range of research interests and levels of sophistication, such as:

- Getting Started in Research: Getting ideas, types of research, setting limits, and working with a mentor
- UB's Institutional Review Board: Issues of Study Design, HIPPA, and Informed Consent
- Grant Writing & Applying for Funding
- Giving Effective Research Presentations
- Publishing Your Research

Dinner Provided - RSVP Required

**Please respond to your Program Coordinator
by Friday, October 17, 2008**

So PC's can register residents via the web by 10/20/08

This body of knowledge
fulfills the Research Core Curriculum
graduation requirement.

Practice Based Learning & Improvement: Designing a Quality Improvement Project

Monday, November 17, 2008

5:00-7:30 pm

Butler Auditorium

150 Farber Hall—UB School of Medicine

This session will include:

- A brief didactic session outlining the importance of Practice Based Learning skills and the need for Quality Improvement (QI).
- Interactive small group sessions providing participants with practical guidance in designing a QI project.

Dinner Provided - RSVP Required

**Please respond to your Program Coordinator
