

Fall 2009

# Core Curriculum Master Sessions

For UB Residents & Fellows

## Practice Based Learning & Improvement: Designing a Quality Improvement Project

Thursday, October 8, 2009  
5:00-7:30 pm

Butler Auditorium  
150 Farber Hall—UB School of Medicine

This session will include:

- A brief didactic session outlining the importance of Practice Based Learning skills and the need for Quality Improvement (QI).
- Interactive small group sessions providing participants with practical guidance in designing a QI project.

Dinner Provided - RSVP Required

**Please respond to your Program Coordinator  
by Monday, September 28, 2009**

*So PC's can register residents via the web by 09/29/09*

This body of knowledge  
fulfills the PBL&I Core Curriculum  
graduation requirement.

## Research for Residents: Something for Everyone

Monday, November 23, 2009  
5:00-7:30 pm

Butler Auditorium  
150 Farber Hall—UB School of Medicine

This session will begin with a panel of researchers sharing their advice with residents. Breakout sessions following the panel are designed to appeal to a broad range of research interests and levels of sophistication, such as:

- Getting Started in Research: Getting ideas, types of research, setting limits, and working with a mentor
- UB's Institutional Review Board: Issues of Study Design, HIPPA, and Informed Consent
- Grant Writing & Applying for Funding
- Giving Effective Research Presentations
- Publishing Your Research

Dinner Provided - RSVP Required

**Please respond to your Program Coordinator  
by Wednesday, November 11, 2009**

*So PC's can register residents via the web by 11/12/09*

This body of knowledge  
fulfills the Research Core Curriculum  
graduation requirement.

Food will  
be served  
5:00-5:30

Residents  
arriving  
after 5:45
