**PDAC Charges:** The PDAC committee is charged with the following:

1. To communicate with the University Graduate Medical Education Committee (GMEC) and key clinical faculty, including site directors, on significant educational and work environment issues including policy and procedures under consideration for residents and fellows in the training programs sponsored by the University of Buffalo.
2. To identify and share best practices both locally and nationally for teaching, evaluating and assessing resident competence.
3. Determine needs for faculty development pertaining to resident education.

**PDAC Meeting Schedule:** Meetings will be held at 4:30 PM on Mondays in room 134b Farber Hall on the UB South Campus. We will try to keep to a one hour timeframe. The complete list of meetings is provided below and on the GME website <http://www.smbs.buffalo.edu/GME/>.
