

12th Annual
UB GME Scholarly Exchange Day
Tuesday, May 5, 2009
105 Harriman Hall, UB South Campus
12 noon – 5:30 pm

Purpose

- Showcase resident research through poster presentations
- Improve the quality of resident presentations
- Promote interaction among resident researchers

Why Participate?

- Enhance your CV for an academic research career or fellowship
- Receive knowledgeable feedback to improve your presentations
- Meet research mentors
- Receive a certificate of participation and a copy of a research book
- Awards will be presented to the top poster in each category based on criteria referenced in the application.

Abstract Submission

- Submit an online abstract (250 words or less) at <http://survey.med.buffalo.edu/sed> following the format indicated before the deadline of Monday, April 20 2009
- Submission of a single poster per resident or fellow will be accepted
- Work must have been completed during your training in Buffalo

** This may fulfill your departmental research presentation requirement
- check with your Program Director.
