

Research for Residents: Something for Everyone

Research Core Curriculum Master Session

Tuesday, October 9, 2007

5:00-7:30 PM

Butler Auditorium

UB School of Medicine

*Residents
arriving
after 5:45
will NOT
receive
credit*

*Food will
Be served
5:00-5:30*

This session will begin with a panel of researchers sharing their advice with residents. Breakout sessions following the panel are designed to appeal to a broad range of research interests and levels of sophistication, such as:

***Getting Started in Research:
Getting ideas, types of
research, setting limits,
and working with a mentor***

UB's Institutional Review Board:
Issues of Study Design,
HIPPA, and Informed
Consent

Grant Writing & Applying for
Funding

Giving Effective Research
Presentations

Publishing Your Research

This body of knowledge
fulfills the Research Core
Curriculum graduation requirement.

**The first of four Core Curriculum Master Sessions this academic year
sponsored by the UB Office of Graduate Medical Education**

Dinner Provided - RSVP Required
*Please respond to your Program Coordinator
by Friday, September 28, 2007*

so PC's can register residents via the web by Wednesday, October 3, 2007
