

*Congratulations to  
our Graduating Residents*

Dov Bader, MD  
Jeremy Doak, MD  
Zair Fishkin, MD, PhD  
Jeffrey Knight, MD

*Sports Medicine Fellows*  
Prithviraj Chavan, MBBS  
Shehada Homedan, MD

*Adult Reconstruction Fellow*  
Naveen Singanamala, MD

*Hand Fellows*  
Alan Panteck, MD  
Soheil Payvandi, DO

*Orthopaedic Residents*  
Thomas Duquin, MD  
Jaime Hernandez, MD  
Patrick Hlubik, MD  
Sridhar Rachala, MD

Jesse Affonso, MD  
Lindsey Clark, MD  
Jennifer Gurske de Perio, MD  
Leslie Manohar, MD

Harvinder Bedi, MD  
Glen Gaebe, MD  
Joshua Jones, MD  
Glen Rudolph, MD

Daniel Barba, MD  
David Privitera, MD  
John West, MD  
Ryan Wilkins, MD

*The Department wishes  
to thank our honored guest*  
Richard Hawkins, MD  
Steadman Hawkins Clinic

*June 5 & 6, 2008  
Smith Auditorium  
Erie County Medical Center*

*2<sup>nd</sup> Annual  
Eugene R. Mindell, M.D.  
Orthopaedic Residency  
Scientific Program*

*Department of Orthopaedics  
School of Medicine & Biomedical Sciences  
State University of New York at Buffalo*

***Affiliated Hospitals***

*Buffalo General Hospital  
Women & Children's Hospital of Buffalo  
Erie County Medical Center  
Millard Fillmore Hospital*

[www.ubortho.buffalo.edu](http://www.ubortho.buffalo.edu)

**Thursday June 5, 2008**

Smith Auditorium, 3rd Floor, Erie County Medical Center

1:00 pm            Interesting Case Presentations

“Shoulder Instability in the Contact Athlete”

Richard Hawkins, MD    - Steadman Hawkins Clinic

**Friday June 6, 2008**

2<sup>nd</sup> Annual Eugene R. Mindell, M.D.

Orthopaedic Residency Scientific Program

Smith Auditorium, 3rd Floor, Erie County Medical Center

7:30 am            *Refreshments*

8:00 am            Introductions

Lawrence B. Bone, M.D. Professor and Department Chair

“Correction of Varus Deformity During TKA  
by Resection of Uncapped Medial Tibial Bone”

Presenter        Naveen Singanamala, MD  
Advisor            Kenneth Krackow, MD

“Repair of the Ruptured Distal Biceps Tendon: A Systematic Review”

Presenter        Prithviraj Chavan, MBBS  
Advisor            Leslie Bisson, MD

“Innervation of the Supinator Muscle: An Anatomic Study”

Presenter        Thomas Duquin, MD  
Advisor            Leslie Bisson, MD

“Safe Tracker Placement in Computer Navigated TKA”

Presenter        Jaime Hernandez, MD  
Advisors          Kenneth Krackow, MD, Matthew Phillips, MD  
                         Brian McGrath, MD, William Mihalko, MD, PhD

“Hip Pressure Following Southwick Biplane Osteotomy  
for Slipped Capital Femoral Epiphysis”

Presenter        Patrick Hlubik, MD  
Advisors          Kenneth Krackow, MD, Michael Ferrick, MD

“Rotational Alignment of a Varus Degenerative Osteoarthrotic Knee”

Presenter        Sridhar Rachala, MD  
Advisors          Kenneth Krackow, MD, Mary Bayers-Thering, MS

“Augmentation of Dynamic Hip Screw Fixation with PMMA”

Presenter        Jesse Affonso, MD  
Advisor            Lawrence Bone, MD

10:00 am            *Break*

“Can Partial Lacerations of the Tibialis Posterior Tendon be treated  
with Early Weight Bearing following Repair with Ethibond or Fiber Wire?  
A Biomechanical Study”

Presenter        Lindsey Clark, MD  
Advisors          Leslie Bisson, MD, Christopher Ritter, MD

“Which Repair Methods for Distal Biceps Disruption will allow  
Early Active Flexion Following Surgery?”

Presenter        Jennifer Gurske de Perio, MD  
Advisor            Leslie Bisson, MD

“A Biomechanical Comparison of Suture-Bridge and  
Transosseous/Suture Anchor Rotator Cuff Repairs in Human Cadavers”

Presenter        Leslie Manohar, MD  
Advisor            Leslie Bisson, MD

“Fixation Strength of Osteochondral Plugs in OCD Treatment”

Presenter        Shehada Homedan, MBChB  
Advisor            Leslie Bisson, MD

“Repair of the Medial Patellofemoral Ligament  
with and without a Lateral Release: A Biomechanical Analysis”

Presenter        Harvinder Bedi, MD  
Advisor            John Marzo, MD

12:00 pm ~ 1:30 pm    *Lunch*

“Antibiotic Cement Intramedullary Rods for the Treatments of Osteomyelitis”

Presenter        Glen Gaebe, MD  
Advisor            Mark Anders, MD

“Do the Depuy Distal Tibia Plates Work?”

Presenter        Joshua Jones, MD  
Advisor            Lawrence Bone, MD

“Single vs. Dual Plating of Schatzker 5 and 6 Tibial Plateau Fractures:  
A Retrospective Study”

Presenter        Glen Rudolph, MD  
Advisor            Lawrence Bone, MD

“Update on Rotator Cuff Disease”

Richard Hawkins, MD    - Steadman Hawkins Clinic
